Only \$19.50 a Month.

When something unexpected happens, ProCare members already know who's coming and what to expect. That's most of the value – no scrambling, no wondering, no waiting on hold for someone you've never met.

Two professional tune-ups every year – one before Sacramento summer, one before the first cold night. A certified technician sees your system before it gives you trouble. Small problems caught early. Found. Fixed. Done.

When service is needed, ProCare members are scheduled first.

WHAT EVERY PROCARE MEMBER RECEIVES:

- ✓ **Spring AC precision tune-up**
Included with membership. Inspected before Sacramento heat arrives.
- ✓ **Fall heating precision tune-up**
Included with membership. Ready before the first cold night.
- ✓ **ProCare members are taken care of first**
When you need service, you don't wait in line. Non-members do.
- ✓ **10% off repair services**
Applied to qualifying repairs.
- ✓ **Reduced cost diagnostic services**
With any approved repair.
- ✓ **One-year labor warranty on every repair**
We stand behind the work. Active membership required.
- ✓ **Manufacturer warranty support**
We document every visit per manufacturer requirements.
- ✓ **5% off system replacement**
When it's time to upgrade, members receive an additional discount.

ROUTINE CARE ALSO MEANS:

- Longer system life – 5–7 additional years on average
- Better indoor air quality, year-round
- Warranty coverage that actually holds

Comfort Shows Up Without You Asking.

On the hottest afternoon, your AC just works. On the coldest morning, your heat is ready. ProCare keeps it running smoothly.
